**RiskMan Albania Erasmus+ project**  
 July 6, 2021

After a difficult period of pandemic, today took place the first monitoring visit of the RiskMan project "Educational Capacity Strengthening for Risk Management of Non-native Aquatic Species in the Western Balkans". This visit took place online, through the TIMS application, with NEO participants and project partners. This project is one of the winning projects of 2020. The main aim of RiskMan Project is to strengthen the Educational Capacity for Risk Management of NN Aquati... See more
